We Go — jdeme a vítězíme!

Značka WEGO, která je známa na sekundárním trhu náhradních dílů od roku 2002, si v relativně krátké době dokázala získat uznání mnoha odborníků v oblasti podnikání s automobily. A to především díky technickým znalostem, trvale vysoké kvalitě výrobků a dobré pověsti spolehlivého obchodního partnera.

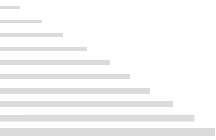

Vzhledem k tomu, že se jedná o českou značku, jsou náhradní díly WEGO primárně určeny pro vozidla české značky Škoda. V současné době seznam náhradních dílů obsahuje více než 2000 položek a zahrnuje 9 automobilových systémů: motor, výfukový systém a klimatizace, převodovka, přední náprava a řízení, zadní náprava, kola a brzdová soustava, řadicí mechanismy a pedály, části karosérie, elektrické zařízení. To znamená, že řada značky WEGO uspokojí téměř všechny požadavky na náhradní díly servisních stanic, které servisují a opravují automobily značky Škoda.

Odborníci WEGO trvale analyzují trendy ve vývoji automobilového trhu, a proto včasná aktualizace sortimentu s příchodem nových modelů na trh je jejich prioritou. Je důležité určit, které položky budou prvořadě na trhu žádané a zajistit produkci odpovídajících analogů. V takovém případě je třeba se zaměřit na zajištění dokonalé kvality a dlouhé životnosti každého produktu značky WEGO.

Doslovný překlad našeho názvu znamená jdeme a vítězíme. To plně odráží naši koncepci každodenní promyšlené práce s cílem zajistit včasné vybavení našich partnerů vysoce kvalitními náhradními díly pro vozidla značky Škoda.

V tomto katalogu jsou všechna odkazová čísla, zobrazení a další informace uvedeny pouze jako informace a nelze je používat pro komerční účely. Vzhledem k pravidelnému aktualizování výroby se v řadě případů může zobrazení lišit od skutečného produktu.

We Go - we go, we win!

Trademark WEGO, known in the aftermarket of spare parts since 2002, for a relatively short period of time has managed to win recognition among many professionals of the auto business. First of all, thanks to technical competence, consistently high quality of products and reputation of a reliable business partner.

Being a Czech brand, spare parts of the WEGO trademark are primarily suitable for cars of the Czech brand Škoda. Currently, the list of spare parts includes more than 2000 items and covers 9 automotive systems: engine, exhaust system and air conditioning system, gearbox, front axle and steering, rear axle, wheels and braking system, shifting mechanisms and pedals, body parts, electrical equipment. Thus, the WEGO brand assortment will satisfy almost all requirements for spare parts of service stations servicing and repairing Škoda cars. WEGO specialists constantly analyze the trends in the development of the automotive market, therefore timely updating of the product range with the release of new models is their priority. It is very important to determine which parts will be demanded by the market in the first time and to organize the production of corresponding analogues. At the same time, the focus of attention should be aimed at ensuring the high quality and durability of each WEGO product.

The translation of our name - we go, we win. This fully reflects our concept of daily thoughtful work in order to timely supply our partners with quality spare parts for Škoda cars.
